Dear Sample Sample:

Thanks for your interest in Commander Non-Filters. We're delighted for this chance to take you back to an era we fondly refer to as "The Golden Age of Quality." A time when Americans enjoyed good music, good movies, good books...and each other.

In 1933, a new cigarette was introduced. It soon grew to be one of America's most popular brands, known for its uncompromising richness of flavor. Today, the Commander brand still recalls those simpler times with the rich taste of choice tobaccos in a non-filter cigarette.

We'd like to treat you to five free packs of Commander Non-Filters, in your choice of king-size or traditional "shorts," with the coupon below.

We hope you enjoy the memories of a more flavorful time. And we hope you'll continue to enjoy Commander, "A Tradition of Flavor Without Compromise."

Very truly yours,
